Brookfield Peter F. Bronfman Gold and Leadership Scholarships

Woodsworth College is now accepting applications for the Brookfield Peter F. Bronfman Gold and Leadership Scholarships (one Gold Scholarship of \$12,000 and five Leadership Scholarships of \$6,000 will be awarded). These scholarships will be presented to outstanding all-round Woodsworth College students who are in their final year of an undergraduate degree with a minimum cumulative grade point average of 3.50 (A-).

BACKGROUND

The Brookfield Peter F. Bronfman Scholarship Program was inaugurated in Mr. Bronfman's honour at Woodsworth College shortly following his death in 1996. This program is supported by a fund established by Peter Bronfman's wife, Lynda Hamilton, his business colleagues and the companies associated with Brookfield Asset Management.

Peter F. Bronfman, O.C., was a unique leader who emphasized strong business and moral values and focused on the human aspects of business. In particular, he fostered partnerships and teamwork, and assisted younger executives in expanding their horizons and giving back to the community. Never seeking personal acclaim, Mr. Bronfman derived great enjoyment from sharing credit with his colleagues.

A supporter of many charities, the arts, hospitals and universities, Mr. Bronfman gave Woodsworth College one of its largest single private donations to help fund construction of the new wing, which opened in 1992. In November of 1996, the University of Toronto awarded Mr. Bronfman an Honorary Doctor of Laws degree.

Mr. Bronfman was one of the founders of Brookfield Asset Management, a global asset manager with a focus on property, renewable power, infrastructure and private equity.
