

## Woodsworth College Summer 2020 Grant Application

1. Summer grant applications are available from **May 4 to July 27, 2020**.
2. Grants are a secondary source of financial aid provided on the basis of financial need for education-related expenses. The average summer session grant is \$500 - \$750.
3. Students are normally required to have applied for other types of financial assistance such as OSAP and other government student aid prior to seeking grant funding.
4. Visiting students and International students are usually not eligible for this grant; however, should you encounter unexpected financial difficulties you should complete and submit the application.
5. You may be asked to provide receipts and documentation for some expenses.
6. After completing the application please save it as a new file including your student number and email it to [wdwregistrar@utoronto.ca](mailto:wdwregistrar@utoronto.ca).
7. It normally takes 7 to 10 business days for an application to be reviewed by the Grant Committee and a decision to be made.
8. If you are provided with a grant, the payment will be made via direct deposit. You can find instructions for setting this up here: <https://help.acorn.utoronto.ca/blog/ufags/direct-deposit/>
