

OCCUPANCY AGREEMENT

2019-20 Academic Year

Woodsworth College Residence is committed to providing residents with a safe, secure, diverse, vibrant and cooperative community that is conducive to academic success and personal development.

The Residence is dedicated to promoting a learning environment that is both challenging and supportive, and expects that residents will contribute to the structure of the residence community and provide feedback to community members.

Residents are expected to apply and integrate their individual talents and interests for the benefit of personal and community development.

Woodsworth College Residence expects all students to contribute in a meaningful way to the residence community, to student groups, to university governance, and to the larger urban community.

In consideration of the mutual covenants contained herein, as well as the Resident Handbook, which forms part of this agreement, Woodsworth College Residence (the "residence") and (the "resident") agree as follows:

A. ELIGIBILITY

Only full time University of Toronto students as defined by the university in a registered faculty, in good academic standing are eligible to reside in Woodsworth College Residence unless alternate arrangements have been approved in writing by the Dean of Students. Residents who withdraw from the University or drop below full-time status, or below three courses in either the Fall or Winter semesters, are required to inform the Dean's Office immediately. The college reserves the right to check the academic status of students to confirm their eligibility for residence as required. Preference is given to Woodsworth College students. All rooms are single occupancy.

B. TERM

The residence grants to the resident a license to use and occupy a room (the "room") in the residence located at 321 Bloor St. West, Toronto, on the University of Toronto's St. George campus, for a period (the "occupancy period") commencing on September 1st, 2019, at 9am and ending 24 hours after the resident's last final exam in the winter term or 4pm on April 25th, 2020 whichever is earlier; unless terminated earlier in accordance with the Occupancy Agreement ("the Agreement").

The residence is closed for the December Winter Break. All residents are expected to vacate their room no later than 24 hours after their final exam or by December 20th, 2019 at 5pm EST, whichever date is earlier. The residence will re-open on January 5th, 2020 at 9am EST.

C. FEES

The Agreement is for occupancy of the entire academic term as outlined above and the resident is liable for the full occupancy fee. The resident will pay the occupancy fee in 2 installments as described in Appendix A (Fee Schedule) and/or any additional fees prescribed in the Agreement or in the Resident Handbook, which forms part of this agreement.

The deposit paid to Woodsworth College Residence is completely NON-REFUNDABLE under any circumstances.

Residence fees are due in two installments:

- The first installment is the deposit that is paid directly to the residence after an applicant has received confirmation of acceptance into the residence.
- The second installment is charged to the resident's ROSI/ACORN account and must be paid upon acceptance to the residence or by August 15th, 2019, whichever occurs later.

The resident's complete residence charges will be posted on the resident's Student Web Service account (ROSI/ACORN), and it is the responsibility of the resident to ensure payment is made by the corresponding deadlines. Any payment(s) made after the deadline dates will be considered "late". Any resident who makes his/her payments late, without receiving written approval from the Residence Office, will not be considered for readmission to the residence in subsequent years.

*OSAP/Govt deferred students should refer to the deadlines outlined in Appendix A

The resident's complete residence charges will be posted to their Student Web Services (ROSI/ACORN) account by late July 2019. Payments made prior to this, such as the residence deposit, will appear as a credit until the complete invoice is posted. It is the responsibility of the resident to ensure payment is made by the corresponding deadlines. Any payment(s) made after the deadline dates will be considered "late". Any resident who makes his/her payments late, without receiving written approval from the Residence Office, will not be considered for readmission to the residence in subsequent years.

For information about fee payment deadlines and monthly service charge fee billing deadlines, please consult Student Accounts at <http://www.fees.utoronto.ca/home.htm>.

It is agreed that there shall be no reduction of the occupancy fee or any other compensation for or on account of any loss, damages, inconvenience or discomfort arising from the interruption or curtailment, however caused, of any accommodation, facility or service agreed to be furnished by the residence.

D. OTHER FACTORS

The residence building houses one retail operation, a restaurant located on the north east side of the building, with patio seating on the east side, used in clement weather. There will be noise and/or possibly smoke emanating from this area. There is also noise generated by garbage and maintenance truck pick-ups. There will be no compensation or reduction in residence fees for the rooms affected.

There may be ongoing construction of a large new building, adjacent to the residence. As a result, there will be noise, dirt, lack of privacy and other construction related effects on residents, in particular to those residents facing the new building. All rooms will be affected due to close proximity.

There will be no compensation or reduction in residence fees for the rooms affected.

From time to time, the Woodsworth College Dean of Students (the "Dean") may release limited resident information under controlled circumstances to approved third parties, for the specific purpose of facilitating resident voting in federal, provincial, municipal or student society elections.

E. TERMINATION

The Agreement license will terminate at the end of the occupancy period, and may be terminated by the resident or the residence before the end of the occupancy period, as set out below.

The rights and obligations of the residence and resident upon termination of occupancy, set out below, apply whether the termination of occupancy occurs prior, during, or at the end of the occupancy period.

Termination by the Residence:

The University may at its option terminate this license upon the happening of any of the following events:

1. Non-payment by the resident of any amount due to the University;
2. Breach by the Resident of any provision of this agreement, or the Rules and Regulations as published from time to time; or
3. Any event whereby the Resident ceases to be a registered student with a full-time enrolment status at the University of Toronto, including but not limited to the suspension or expulsion of the resident from studies during the academic session.

In the event that the University exercises its option to terminate the license, the University or its designated official shall give written notice of such termination to the Resident which shall specify the effective date of the termination, which shall not be less than three days following the giving of notice (the "Effective Date of Termination"). The notice may be hand or electronically delivered to the room or affixed to the door of the room, addressed to the Resident.

Notwithstanding the previous paragraph, under exceptional circumstances, the University reserves the right, to be exercised by the Dean acting reasonably, to give written notice of termination of this license not less than 24 hours before the effective fare of termination.

Notwithstanding the early termination of this license, the Resident shall at the option of the University be liable for payment of the full amount of the Occupancy Fee, whether or not the room is re-occupied or the Residence is filled.

Termination by the Resident: Acceptance of an offer to live in residence constitutes a binding commitment by the resident for the full term as outlined in the "Term" section of the Agreement. In the event that the resident wishes to withdraw from the residence or from full-time studies during the occupancy period, the resident must provide written notice stating intent to withdraw from residence by email to residence@wdw.utoronto.ca.

Fees upon termination of the Occupancy Period:

Where the resident terminates the license before the end of the occupancy period, the residence retains the right to hold the resident liable for payment of the full occupancy fee, whether or not the room is re-occupied or the residence is filled. In all cases, the deposit is non-refundable.

On or After November 28th 2019:

- If the resident submits written notice to withdraw on or after November 28th 2019, no refund will be given for first semester residence fees, and the resident is liable for the full occupancy period fee, which includes second term residence fees.

Rights and obligations of Residence upon termination of Occupancy:

After the vacating date, the staff of the residence shall have the right to enter the room and change the locks without notice or liability to the resident and without providing the resident with a new key for the lock. The residence has no responsibility for any possessions of the resident or of any other person left in the room or anywhere in the residence after the vacating date. If the damage or cleaning is in the room only, only the resident who resided in the room will be charged. Any items left behind by the resident will be removed at a charge of \$50 and will be immediately taken to garbage disposal; the residence shall not be liable to the resident for any loss. The residence shall:

- Assign the resident a room and one key card and one mailbox key;
- Maintain the room, the suite and the common space in a reasonable state of repair and fit for habitation. Should the suite be deemed by the staff of the residence to be unfit for habitation, the resident(s) will be given an opportunity to bring it up to standard within a certain timeframe. - The Residence Staff, which include but are not limited to the Dean or the Dean's designate, Dons and Facilities staff shall be permitted to enter the room: 1. During daylight hours upon giving reasonable notice to the Resident. 2. At regular intervals if previously announced to the residents. 3. Suitemates

At any point during the occupancy period, Woodsworth College Residence reserves the right to add or change suitemates at the discretion of the residence staff.

Room Change Requests

Room changes are accommodated based on available space and are processed at the discretion of the residence administration. Room change requests must be made in writing to the Residence Office. Submission of a room change request does not guarantee a room change. A service fee of \$150 is charged for the processing of a room change.

Security

The residence will take a picture of each resident. This picture will be used to verify the resident's identity for purposes of entering the residence, or other purposes, such as verifying identity during a lock out.

The key card assigned to the resident must be in the possession of the resident at all times. The resident is the only person authorized to access the building with that key card and is now allowed to transfer the key card to any other persons at any time.
