KEYS & SECURITY

Since we live with a large number of residents and are located in an urban centre, we have a number of security protocols in place to ensure the residence remains safe and secure.

During the booking process, you will be asked to provide us with a photo of yourself to be used for key and identification purposes. If this is not possible, we can arrange to take your photo as part of the check-in process. This key will open your room, suite, common room, and exterior building doors. You must show this key to the front desk staff each and every time you enter the residence. This key remains the property of the residence at all times.

You are not permitted to lend or give out your key to another person. Additionally, in your absence, we are unable to provide your guests with access to your room unless we receive, confirm and process in advance a written request from you to do so.

Replacement Keys

Both your suite and bedroom doors lock automatically when they are closed. If you happen to find yourself locked out, you can obtain a replacement key from the Front Desk. The Porter can provide a key for temporary access, and you are required to return it immediately after opening your door. If it is not returned within 10 minutes, a $100 charge will be applied to your account.

If you lose your key and would like it to be replaced, the Front Desk Porter will cancel the old key and make you a new one. A $100 charge will be applied to your account for each replacement key that is issued.
MAIL & PACKAGES

During the summer months, mail and packages are stored at the front desk of the residence. The Front Desk Porter will email you if you receive such items. To retrieve your mail, you will need to show your identification.

Your new address is:  
Your name  
Your suite and room number (e.g. 1304A)  
321 Bloor Street West  
Toronto, ON M5S 1S5  
Canada

SUITE ASSESSMENT FORM

You are required to fill out a Suite Assessment Form when you arrive. This form will inventory the furniture in your room, as well as the condition of the room. It’s important that you take your time when filling out this form, as any missing furniture or new damages to your room/suite when you check out will be your responsibility. Please return this form to the front desk by the date requested.

You will be responsible for any missing furniture or damages to your room. However, any damages to the common suite will be shared between yourself and your suitemates.

We tend to see some common damages. Here are some examples/guidelines:

- Fire Sprinkler System: Be sure not to touch or hang anything from the fire sprinklers in your room or suite. It’s also important not to stack items or clothes close to the sprinkler head in your closet.
- Opening and closing your windows: To shut the windows, first push them out to release the hatch and then pull in to shut. Using this method to shut the window will help prevent any damages.
- Damages to walls from hanging posters & pictures. One of our staff can tell you what materials you can use to hang posters without damaging the walls.
- Be sure not to paint your room, suite, common areas, or any of the doors.
- Don’t tamper with any of the locks, change them, or add additional locks.
- Don’t try to make any alterations to the furniture or the structure of the building.
- Be sure not to bring common room furniture into your suite/room.
- When you move out, be sure to move the furniture to how you found it.

INTERNET CONNECTION

All bedrooms have an internet connection. Please note that in order to hook up your computer to the internet, you must have virus protection software installed on your computer and you must provide your own Ethernet cord.

All residents have been provided additional internet access information that must be read over to understand the policies and procedures of internet use. This information sheet will show you how to connect to the Woodsworth Residence Network and what to do if you are having difficulties.
If you are having difficulties with the internet or your computer at any time, you can file a work-order, or email mauricio.rodriguez@utoronto.ca. We attempt to follow up with all requests within four business days; however during move-in periods there may be a longer wait.

**YOUR SUITE & LIVING WITH SUITEMATES**

You will be sharing a suite with up to five other residents. Living with other people in such close quarters can be challenging (even if you’ve known your suitemates beforehand)! It’s important to address at least the following topics as soon as possible. If a new resident arrives it’s a good idea to revisit these topics.

**Cleanliness**

The Residence offers suite cleaning to all suites in the building. This includes surface cleaning in all commons areas (kitchen, bathrooms, hallways, and living room). Bedroom cleaning is not included in this service.

The Residence Office will set a schedule for when the cleaning staff will arrive to clean. A specific time cannot be booked, but a specific day and time will be assigned to your suite. We expect that all suites are accommodating during this predetermined time slot in order for the cleaner to complete their work in a timely and efficient manner. During your indicated time, we suggest that you remain in your bedroom or exit your suite to ensure we can clean all shared suite spaces appropriately. Please also ensure the surfaces in your suite remain clear to assist with this. Our resident expectations are as follows during the assigned suite cleaning time:

- The kitchen is not in use and there are no dishes in the sink
- The bathrooms are not in use and the shower surfaces are uncluttered
- The hallway is clear of items
- Waste (garbage, recycling, and compost) receptacles are emptied by the resident as necessary

On statutory holidays, cleaning will be rescheduled for an alternate day, typically the day after the holiday.

Below is some additional information about the scope of the provided suite cleaning:

- The cleaning staff will wipe and dust any visible surfaces in the common areas, kitchen (surface cleaning of kitchen elements and appliances), living room, washrooms, and hallways. If there are any items on the floor, cleaning will be done around them.
- The bathroom sink, toilet bowl, shower, mirrors, counters, and floor will be cleaned and sanitized.
- Cleaning staff will not enter individual bedrooms; students are responsible for cleaning their individual bedrooms.
- Waste (garbage, recycling, and compost) must be removed by the resident as necessary. It is an expectation of the residence that receptacles are utilized appropriately, all waste is in its suitable receptacle, and receptacles must not be overfilled, leaking, or odourous.

If additional suite cleaning is required by our cleaning staff, please refer to the “Additional Cleaning Charge” under “Common Charges”.

We are not responsible for lost or damaged items or articles. If you send cleaning staff away at the time they are meant to clean, they will not return later in the day and your room will not be cleaned until the following week.
Please remember that you and your suitemates are responsible for the general cleanliness of your suite. This is important to ensure our community remains bug, pest, and odour free. It’s important to speak with your suitemates and establish expectations for washing the dishes, bedroom cleanliness, and any other tasks not completed by the suite cleaner as indicated above. If you would like help setting a schedule, please let the Front Desk know and we can arrange for someone to facilitate this conversation.

Throughout the summer, there may be regular suite and bedroom inspections. You will receive notice (via signs) about when these may happen. Should your suite be deemed to be unacceptably unclean at anytime, you will be given 48 hours to clean it. If it is not clean in that time, we will arrange for cleaners to do the work and you will be charged accordingly. You will be charged proportionally for cleaning to suites and common areas that cannot be charged to a specific resident. Once such an issue arises, we may perform weekly checks to ensure appropriate cleanliness standards are maintained.

If at any point throughout your stay you are concerned about cleanliness or damage to facilities that you are not responsible for, you must email us (summer.residence@wdw.utoronto.ca) as early as possible to discuss the matter. If this does not occur, we will be unable to exempt you from any fees that may be charged to the suite for cleaning and/or repairs.

Thermostat Controls
There are two thermostat controls in each suite. Thermostats located in the suites control the temperature for MORE THAN ONE bedroom. Please ensure that you and your suitemates work out an acceptable temperature for the suite.

In order to get optimal use of the thermostat – place it on “AUTO”. When it is hot, you will want to keep your blinds down in order to reduce the temperature. To conserve energy and keep the system running effectively, please do not open the windows if you have the heat/air conditioning working.

Storage
There is no storage space outside your suite and you will be living with three to five other people who will also be bringing their belongings, so please only keep what is necessary.

Suite “Rules”
You will also want to ensure you and your suitemates address expectations around:

- Quiet hour expectations within the suites
- Privacy and overnight visitors
- Borrowing of personal belongings

Suitemate Conflicts & Room changes
Woodsworth College Residence encourages open communication between suitemates. If you are experiencing a conflict with your suitemates, the first step is to be assertive and try your best to communicate with them. The second step is to discuss the situation with an office staff member by emailing summer.residence@wdw.utoronto.ca. If after meeting with an office staff member there is a problem within the suite that cannot be resolved, you will need to set up an appointment with the Assistant to the Dean, Residence Life to discuss your options. Room changes may be difficult to administer, as the residence is typically full. There is an administrative fee of $150 for all room changes.
Lead Porters
Lead Porters live in the building and are responsible for ensuring that residence policies are followed. They are available to answer questions you may have about the residence.

Front Desk Porters
A team of Front Desk Porters staffs the Residence front desk 24 hours a day, 7 days a week. They will assist you in answering questions, transferring calls, loaning out equipment and signing in/out your visitors. They are reachable by dialing 2000 from your residence telephone.

Residence Cleaners
The residence has two cleaners who maintain our common areas as well as the lobby and main floor spaces. Additionally, there are cleaning staff who are responsible for weekly suite cleaning. Please refer to the “Cleanliness” section for further detail.

RESIDENCE FRONT DESK

The Front Desk is staffed 24 hours a day, seven days a week when the residence is open. It is the hub of the residence by controlling access to the building, signing in/out guests, answering questions, transferring phone calls, holding mail and packages, and signing out equipment.

Access Control
The Front Desk is responsible for controlling access into the building. Prior to entering the elevator vestibule, residents must identify themselves to the Front Desk by showing the porter their residence key. For security purposes, the building’s exterior doors are locked each night between 9pm and 7am and keys must be used to gain entry. If a resident forgets/loses their key, or a guest is arriving during this time, they must use the intercom system (located on the east wall of the Bloor Street vestibule) to speak with the porter prior to being let in.

Visitors
Bringing visitors into the residence community is a privilege and a responsibility. Visitors must present photo identification to the front desk in order to be signed in. Visitors without photo identification will not be permitted in the residence. Once an individual enters the residence property to see a resident, they are considered their visitor (even before they have signed in). A visitor may have one or more hosts.

Please be sure to understand and adhere to the following Visitor Policies:

- All visitors to the residence must be signed in and out at the Front Desk. Visitors can be signed-in in advance using our online guestbook.
- Residents must accompany their visitors at all times while they are in the residence.
- Residents will be held responsible for all actions and policy infractions of their visitors.
- Visitors may not stay overnight more than 3 nights in a one-week period, or a total of 6 times per month. Suitemate consent is required for visitors staying after quiet hours.
- Residents can have no more than 4 visitors at a time.
- As per fire regulations, the following suite limits apply: 16 people (4-person suite), 20 people (5-person suite), and 24 people (6-person suite).

Woodsworth College Residence reserves the right to restrict visitor access to the building in the event of a building, university, or city incident or emergency.

Equipment Available to Sign Out
The front desk has a number of items residents can sign out. To do so, residents will be required to leave photo identification. These items include a vacuum, an iron & ironing board, television remotes, a DVD player, board games, moving carts, pool cues, a foosball, and an extension cord.

RECYCLING, GARBAGE & COMPOST

On each floor of the residence, there is a room where garbage, recycling, and compost can be disposed of (please see refer to building signage for the location of these rooms). Please ensure that recycling is sorted appropriately, and that compost is disposed of in biodegradable bags. These are available to residents at no charge and can be collected at the front desk.
BIKE STORAGE ROOM

There is a bike storage room located on the main floor of the residence. All bicycles must be registered with the Residence Office. Spaces will be allocated through a process determined by the Residence Front Desk. Spaces are allocated on a first-come, first-serve basis.

Once a bike has been registered, the office will grant the resident access to the room by reprogramming their key. All bicycles are required to have an additional lock that must be used at all times. Bicycles can only be stored in the bike storage room during the occupancy period. The residence shall not be liable to the resident for any damage to, loss of, theft of personal property. Any suspicious activity must be immediately reported to the front desk.

Users of this space are responsible for ensuring the bicycle cage is closed and locked upon exiting. Failure to do so may result in suspension of access to this facility.

To request a storage space for your bicycle, please ask the Front Desk Porter for further details.

LIGHTING CONSIDERATIONS

Woodsworth College Residence is committed to implementing initiatives that support sustainable environmental practices. As such we have improved our energy efficiency by installing LED light bulbs. We ask that you do not remove or exchange the light bulbs in your bedroom or the common areas.

COMMON SPACES

Laundry Room
Our laundry facilities are located on the main floor of the residence and operated by Coinamatic, an external company specializing in laundry services. There are numerous washers and dryers for use, as well as an adjoining common room with a pool table and television.

To use the laundry machines, residents must purchase a laundry card and load it with funds. To do so, there are machines in the laundry room itself through which residents can use cash, credit, and/or debit to make their purchase.

Should you have any problems with the laundry or card purchasing/loading machines, please contact Coinamatic directly at 1-800-561-1972.

### MAINTENANCE REQUESTS

Residents are required to report any damage or damages made, observed or witnessed to a room, suite, or elsewhere in the residence or the facilities to the residence staff immediately.

To report maintenance issues, including replacing light bulbs, please fill out an online Work Order form. To access this form, go to [residence.wdw.utoronto.ca/facilities](http://residence.wdw.utoronto.ca/facilities).

If you have any problems filling out the work order form, please call the Residence Front Desk. If you do not have access to a computer, you can go down to the Front Desk and fill out a form manually.

You will be charged for damages/repair to your room, suite, the residence or any furnishing or equipment caused by yourself or by your visitors. Normal wear and tear is exempted from this. Repairs that cannot be charge to a specific resident will be distributed proportionately to the suite or floor.

**Emergency Maintenance Issues**

In the event of a major maintenance issue, please call the Front Desk immediately. This only refers to emergency maintenance issues such as flooding.

**Pest Control Requests**

Unfortunately, high-density populations are occasionally subject to pest outbreaks. At Woodsworth residence we strive to eradicate any instance as quickly and effectively as possible.

If you suspect a room may have pests, please submit a work-order with as many details as possible. We will take actions to investigate and treat any pest outbreaks that may occur in the building. Do not hesitate to ask for assistance if you suspect your room/suite may have pests.

Please note that should a pest outbreak be confirmed, no refund or reduction of residence fees will occur and you will not be changed to a new room/suite. Controlling pest outbreaks is often a lengthy process and it may take repeated actions to effectively eradicate them from the residence.
CHECK-OUT

The resident has no vested right to occupy the room after the vacating date. By 10:00am on the vacating date, the resident will:

- vacate the room
- remove all of his/her possessions from the room
- remove all of his/her possessions from common areas of the suite
- ensure the room is left in a clean and orderly condition
- lock the bedroom and suite doors
- officially check out at the front desk
- return the room key to the front desk

Until ALL these steps are taken, a resident is still considered to be “a resident” and is not considered to have moved out. If the resident abandons their room it is NOT considered to be “moving out”.

EARLY WITHDRAWALS FROM RESIDENCE

It is important to note that when you booked your space in residence, you entered into a contract for the stated period. If you are considering moving out of residence early, you must email the Residence Office (summer.residence@wdw.utoronto.ca) as early as possible to avoid unnecessary financial implications.

To officially withdraw from residence, you will need to email the Residence Office (summer.residence@wdw.utoronto.ca) expressing your intent to withdraw, your full name, and the date you will vacate your room.

Please note that withdrawing from residence early does not guarantee a return of your residence fees – refer to the Occupancy Agreement for further details.
EMERGENCY SITUATIONS

FIRE ALARM & EVACUATION

The fire alarm system at the Woodsworth College Residence has two stages:

- **Stage one:** When you hear the first alarm, you are not required to evacuate the residence. Keep your suite door closed. Please be on alert, ready to evacuate if the second alarm sounds.
- **Stage two:** When you hear the second stage of the alarm, YOU MUST evacuate the residence immediately. *You are to proceed to the closest exit and evacuate the building.* The elevators will not operate when the fire alarm is sounding, therefore you must use the stairs.

Once outside, residents are to move South into the Woodsworth College courtyard while waiting for the Fire Department to arrive. In the event of inclement weather, Woodsworth College will be opened. Under no circumstances are any residents to re-enter the building until the Fire Department has completed their inspection and given instruction to do so.

EMERGENCIES

In the event of an emergency, dial 9-911. After you have made this call, contact the Residence Front Desk at ext. 2000. They will contact Campus Police and the Residence Staff to make sure the Emergency Response Team is given prompt access to the residence.

Woodsworth College Residence reserves the right to contact the emergency contact listed on a resident’s application in cases where we believe that they may be in distress or facing a medical emergency. Should we be unable to reach an emergency contact, we reserve the right to contact a family member or guardian.

STATES OF EMERGENCY

A state of emergency, or other unforeseen developments (e.g. severe weather conditions, fire, leaks in city plumbing) may make normal residence operations difficult or impossible to sustain.

Woodsworth College Residence reserves the right to require you to vacate your room immediately if safety measures are compromised or on 48 hours written notice. Should an event of this nature happen, the residence will be closed and no access will be permitted. The residence is under no obligation to provide you with alternative housing or compensation.

COMPENSATION FOR LOST/DAMAGED/STOLEN PROPERTY

The residence and university shall not be liable to the resident for any damage to, loss of, theft of personal property or for personal injury, including death, on the residence property.

*We strongly recommend all residents make arrangements for their own insurance coverage before moving in to residence.*
During the summer, Woodsworth College Residence is committed to providing residents with a safe and secure community. Consideration for others with courtesy and respect is expected from all residents and their visitors at all times. Any violations of these policies may lead to the termination of your residence contract and you being required to leave the building.

**Guiding Principles**
All the policies in this handbook can be summed up with the following three principles: Respect yourself, respect others, and respect the facilities.

**Cleanliness**
Each resident is responsible in ensuring that their room, suite, and the common spaces are maintained in a clean and wholesome condition and will not allow any refuse, garbage or other objectionable material to accumulate.

Periodic checks of suites may be conducted throughout the summer to ensure this standard is upheld.

**Noise**
Since each resident lives in close quarters to one another, it’s important to be considerate of how the effect of noise can have on our community. The following policies have been set to help ensure all residents can study and sleep without interruptions:

**Quiet hours:**
- 11pm – 8am, Sunday – Thursday
- Midnight – 8am, Friday, Saturdays

**Courtesy/respect hours:**
- Are in effect 24 hours a day, seven days a week.

A resident’s right to a reasonably quiet environment always supersedes another resident’s right to make noise. The playing of amplified instruments, drums, and other musical instruments that infringes the community is not permitted.

**Posters**
All postings in the residence must be in accordance of the Woodsworth College Residence Poster Policy and be approved and stamped through the Residence Office. Posters are only permitted in designated areas, and must not damage the surface of the wall.

A copy of the Woodsworth College Residence Poster Policy is available from the front desk, from the website, or from the Residence Office.

**Appliances & Furniture**
Due to fire safety, toaster ovens are not permitted in the building. We ask that mini-fridges that are brought in are under three years old and are energy efficient. For fire safety and pest concerns, no outside furniture (including desk chairs) may brought into the residence without the written permission of the Residence Office. Medical documentation may be required.

Videotaping or photographing residents, staff, or visitors without their consent in any area of the residence is not permitted. Posting videos or photographs on any website, file-sharing software, or anywhere else without the resident, staff, or residents permission is not permitted.

Boisterous Behaviour
Any behaviour that compromises the safety or wellbeing of members in our community or of the facility is not permitted. Examples of this include; sports in the courtyard that is disruptive or could damage property, hall sports, pranks, and water fights.

Harmful Behaviour

Such incidents, depending on the severity and impact on the immediate community, will require an assessment as to the individual’s suitability to remain living in the residence community.

Weapons & Prohibited Materials
Possession of firearms or explosives, ammunition, firecrackers, knives, slingshots, combustible liquids and substances, institutional chemicals or other lethal weapons, or any object that creates cause for alarm, or any replicas of the above weapons are not permitted on residence property.

This also includes drinking games, “funneling”, floor/hall crawls, or any event/activity that has intoxication and/or excessive consumption as its goal or inevitable end. Being present in an area where such an activity is taking place will be sufficient proof of a resident’s involvement.

**Drugs**
Possession, use, or solicitation of illegal drugs and controlled substances is strictly forbidden. The possession of drug paraphernalia (including, but not limited to bongs, pipes, scales) or the smell of drugs on your person or property will be sufficient proof of illegal drug activity. These items are not permitted anywhere on residence property.

**Cannabis**
As of October 17, 2018, recreational cannabis is legal in Canada. In order to balance individual rights and responsibilities against those of the community as a whole, the following policies apply to the use and consumption of cannabis in residence. Residents must abide by all federal and provincial laws as they relate to the possession, purchase, consumption, and production of cannabis.

Residents should be particularly aware that it is illegal for anyone under 19 years of age to buy, use, possess, and grow recreational cannabis. The provision of cannabis to individuals under 19 years of age is prohibited. Additionally:

**Resident Privacy**
As a resident, you are entitled to private living quarters. As much as possible, we endeavour to provide advance notification before entering your suite/room. There are certain situations however, where members of the residence life team, maintenance staff, contract workers and/or emergency services may need to enter your suite without providing such notification. These situations include, but are not limited to:
- In the event of an emergency or perceived emergency.
- To assess the safety and wellness of occupants.
- If a violation of residence policy is likely occurring.

By submitting a work-order, residents are giving permission to residence staff, maintenance technicians, and/or contract workers to enter the suite/room to address the concerns identified in the request. It is recommended that residents notify their suitemates upon submission of a work-order so that they are aware that individuals will be entering the suite to address the concern.
Prior to entering a room/suite, the following procedure will be followed:

1. Knock, announce who they are, wait
2. Knock, announce who they are, wait
3. Knock while entering the room/suite
4. Announce who they are as they enter the room/suite
5. Close the door and ensure it is locked upon leaving.

In case of emergency or perceived emergency, staff may enter more quickly and not follow these steps.
All residents are expected to inform violations of the Resident Handbook or Occupancy Agreement to a staff member of the building. Residence staff (Lead Porters, Front Desk Porters, office staff) are responsible for enforcing the residence policies and procedures. Residents must abide by the direction given by residence staff within the scope of their authority. Residence staff will identify themselves by clothing, nametag, or by verbal identification.

The Assistant to the Dean, Residence Life (ADRL), or their designate, is responsible for ensuring that an investigation is conducted, and for deciding, when necessary, upon the appropriate sanctioning.

**STANDARD PROCESS**

When a resident, or their visitor, has been documented as being involved in an incident, the following standard process is followed:

1. The Assistant to the Dean, Residence Life (ADRL), or their designate, issues a “Notice of Infraction” by email, outlining the alleged infraction, possible sanctions, and next steps.
2. Should the notice be uncontested, the ADRL decides upon an appropriate sanction.
3. Should the notice be contested, the ADRL will conduct a thorough investigation that includes gathering and reviewing documentation and interviews with relevant individuals.
4. Based on the Balance of Probability (preponderance of evidence), the ADRL decides whether or not an infraction has occurred. If an infraction has been committed, the ADRL will decide on the appropriate sanctions.

* Meetings are scheduled during regular business hours between Monday and Friday. If residents are unable to meet in-person during this time, arrangements can be made to conduct this meeting over the telephone.

**SANCTIONS**

There are two types of sanctions that a resident may receive due to involvement with an incident: Formal and Supplementary Sanctions. A breach of a Supplementary Sanction may result in an elevated Formal Sanction. Please note that these sanctions may not be applied in the order listed below.

**Formal Sanctions**

*Verbal/Written Warning*
A verbal/written warning informs the resident of behaviour that is unacceptable.

*Disciplinary Probation*
Once a resident has been placed on Disciplinary Probation, any further violation may result in the Termination of the Residence Contract. A resident on Disciplinary Probation will not be readmitted to Woodsworth College Residence.
Termination of Residence Contract & Ban from Residence
Residents who have their residence contract terminated will have 24 hours (unless otherwise noted) to remove themselves and all their belongings from the residence property. They will also be restricted indefinitely from the residence property (including the residence perimeter and grounds). A resident who has their residence contract terminated will not be eligible for re-admission to the residence for a five-year period (minimally). Any resident who is has their residence contract terminated will have his/her name shared with the other residences on campus.

Supplementary Sanctions

Fines - A monetary penalty may be charged to a resident for inappropriate behaviour. This levy is non-refundable.

Restitution of Costs - A resident may be required to pay restitution for any loss or damage incurred.

Loss of privileges
A resident may lose residence privileges (ie. suite/floor restriction, loss of guest privileges) or be required to remove belongings (e.g., stereos, amplifiers, speakers, bicycles) for a specified amount of time.

Behavioural Contract
This is a written agreement between you and the Woodsworth College Residence, in which you agree to refrain from specified behaviours. A breach of a Behavioural Contract may result in the termination of your residence contract.

Mandatory Move
A mandatory move may be imposed when an incident or problem occurs and removing a particular resident would best serve the resident and/or the community. The resident may be relocated to another suite, another floor, or another residence.

Suspension
A resident may be suspended from the building for a specified amount of time when they are deemed to be harmful to the safety or wellbeing of himself or herself, the community, and/or the property. In cases of suspensions, the resident is responsible for finding alternative accommodation and will not be permitted on Woodsworth College Residence property.

APPEAL PROCESS
An appeal must be launched within five calendar days of the date that the resident was given written notice of the sanction. Sanctions levied on the resident will remain in effect throughout the appeal process.

Appeals will only be heard on the following grounds:

- New information has come available that may change the outcome of the sanction.
- The proper disciplinary process was not followed AND this impacted the decision reached.
A resident who appeals the decision of the ADRL has five business days from the date on their incident letter to submit a formal written appeal.

The appeal should be directed to the Dean of Students or designate. They will decide if the Appeal has grounds to be heard.

- If the Appeal has no grounds, the Appeal is denied on that basis and the sanction(s) will stand.
- If the Appeal has grounds to be heard, there are three possible outcomes:
  - The original decision is upheld
  - The original decision is overturned
  - Sanctions can be modified, which may include increasing the sanctions originally levied
