

Residence Life Assistant Job Description & Expectations

During the academic year, Woodsworth College Residence is a suite-style community of undergraduate students living in individual bedrooms within units of 4, 5, or 6 students. Students are not required to have a meal plan and are responsible for the cooperative management of their own spaces. During the summer the residence is open to all University of Toronto students, as well as students from other institutions attending summer work programs and internships.

Under the direction of both the Assistant Dean, Residence Life (ADRL) and the Residence Operations Coordinator (ROC), the Residence Life Assistant (RLA) works closely with the Residence Office staff and Front Desk Porters to assist with the summer residence program. It is expected that the RLA will communicate openly and effectively with members of the Residence Front Desk Porter team and Residence Staff.

The Residence Life Assistant is expected to support the mission of Woodsworth College Residence in providing residents with a safe, secure, welcoming, and inclusive residence space. In addition to providing training and supervision, the ADRL and the ROC will endeavor to ensure that the RLA is supported, challenged, and encouraged to develop as a residence life professional.

The RLA will be expected to maintain a consistent daily schedule of office hours from Monday to Friday with the ability to flex time as needed after on-call situations. Vacation time will be allotted with the approval of the ADRL and in consideration of full-time staff vacation coverage.
